

Winner of 2013' Canadian Weblog Awards; Media & Journalism

12/16/2013

I am very proud to be the recipient of a 2013' CANADIAN WEBLOG AWARD, for MEDIA & JOURNALISM.

With **Off the Beaten Palate** going live this past year its quite exciting to be recognized and awarded as second place winner in Media & Journalism.

Amongst the three winners in this category were two music blogs, which is ironic because without music I would be lost! And its is such a driver in telling a story. Like, "turn on the music and start writing!" And on many occasions I just turn it on and do a wild dance all by myself in my New York studio apartment.

The fact that **Off the Beaten Palate** resonated with the jurors is both humbling and rewarding.

This award is not a popularity contest, but based on design and content.

I personally thank all the jurors and especially Elan Morgan for making these awards happen.

Thank you for thinking of us and for nominating **Off the Beaten Palate!**
